MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Gary Chase and Ed Levine

1. During a half hour chat with Senate Select Committee on Intelligence (SSCI) Chief Consul Gary Chase on 25 April, he indicated he planned to leave his current post in about two weeks. He is apparently an outsider in the current make-up of the SSCI and no longer privy to the more sensitive workings of the Committee. [REDACTED]

2. During another 30 minute session with Ops Division Chief Ed Levine, Ed noted that he would like to see the SNCC staffers having some access to medium to upper level Agency managers below the Division level. He acknowledged this might present some problems for us but opined some access to these officers would be desirable not only from the substantive standpoint but also in providing an opportunity for the staffers to gain some familiarity of [and appreciation for] this management level. [REDACTED]
